**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value my internet provider, sonic.net , they are the fastest and cheapest DSL competitor in my area.

There is no other competition at my address that's affordable. AT&T and Comcast are both very expensive.

There's one other provider but they halted construction just about 20 yards distance from my access point, so I have no fiber options.

Please increase competition, not decrease.

Sincerely,
Martin Rojo
